The diagram illustrates a class hierarchy. At the top is a box labeled 'TTTTRange'. Below it, three boxes are arranged horizontally: 'CLSMFrame' on the left, 'CLSMLine' in the center, and 'CLSMPixel' on the right. A horizontal line connects the top of these three boxes, and a vertical arrow points upwards from the center of this line to the bottom of the 'TTTTRange' box, indicating that 'CLSMFrame', 'CLSMLine', and 'CLSMPixel' all inherit from 'TTTTRange'.
